Objective

As coronavirus has reduced the relevance of my previous career, I have been looking to change careers. I have always been an avid home chef, having cooked for my grandmother during her alzheimers, and would like to try to build my experience in a restaurant environment.

Work Experience

- **Onsite Support Technician** (AVI-SPL Canada) **Apr 2019-Mar 2020**
Responsible for everyday use and maintenance of AV systems for KPMG Canada's event center at Bay Adelaide Center including Crestron products, conference phones, live audio and video, and all aspects of corporate AV.
- **Lead Technician** (Stagevision) **Nov 2016- Mar 2019**
Responsible for daily setup and operation of audiovisual equipment for corporate events at the Delta Toronto East Hotel.
- **AV Service Technician** (AV Canada) **May 2011-Aug 2011**
Responsible for daily setup and operation of audiovisual equipment for corporate events at the One King West Hotel, Pantages hotel, and Holiday Inn College St
- **Quality Assurance Inspector** (PIC Group) **May 2011-Aug 2011**
Operation of machinery, ensuring products meet quality standards, including both heavy lifting and detail oriented labour, and optimizing time management.

Volunteer Experience

- **Internship** (Escarpment Sound Studio) **Apr 2014-Jan 2015**
Studio maintenance, set-up and tear down of recording sessions and studio cleaning, assistant engineering, and ensuring client satisfaction and retention

Education

- **Audio Post Production** (Fanshawe College) **Sep 2013-Apr 2014**
Taught advanced audio recording and mixing from Grammy Award winner Kevin Doyle, refined skills in a variety of topics from film mixing to orchestral
- **Music Industry Arts** (Fanshawe College) **Sep 2011-Apr 2013**
Taught all aspects of audio technology and industry standards for use, and business knowledge that accompanies it.
